

50 : 50 DRAW

Would you like to help your Club?

The 50 : 50 Draw is one way for members to help with improving the facilities they use. Although we are enjoying the benefits of our upgraded premises, there are still extra items required and the proceeds of the 50 : 50 Draw will help improve the facilities still further. Half the income will go to Club funds, the remaining half will be paid out as prize money in the monthly draw.

The cost is just £10.00 per year payable in full at the start of the draw year. You may, of course, buy as many chances as you wish. The first monthly draw will take place in November.

Name No of Entries.....@ £10 each
